

6th International IUPAC Conference On Green Chemistry

**4th-8th September
2016**
Venezia, Italy

www.greeniupac2016.eu

TOPICS

• Green Materials • Green Bioprocesses • Green Energy • Green Policy, Sustainability and Safety • Green industrial processes and Molecular innovation

PLENARY LECTURES

Isabel Arends

Delft University of Technology (The Netherlands)

Bruno Scrosati

University of Rome Sapienza (Italy)

Chao-Jun Li

McGill University, (Canada)

Fernando Galembeck

Brazilian National Nanotechnology Laboratory (Brazil)

Takashi Tatsumi

Tokyo Institute of Technology (Japan)

Registration on www.greeniupac2016.eu

Early-bird registration deadline: 12th June 2016

Abstract submission deadline: 12th June 2016

Notification for oral/poster communication: 4th July 2016

Co-organizing committee with:
